## **Information for the forwarder**

The delivering / picking up of material at our press on the site of ThyssenKrupp Steel AG, Duisburg is only possible by appointment with the BEB Stahlbearbeitung KG, in Bochum (germany).

After appointment, the material can be loaded or unloaded in principle only 7:00 to 13:00 clock.

**All deliveries / pick-ups are on the Truck dispatch center, „Werkschutz- und Wiegedienstschalter“ on the front left side of the entrance area, settled. There, the driver has to sign.**

**Collection takes place without a so called „Tagesnummer“!**

The vehicle must then be necessarily weighed.

The truck must empty appear for pickup!

### **IMPORTANT:**

In the event that your driver is not familiar with the area on the TKS-terrain, the driver should contact the following telephone number: 0163/8911323 or 0163/8911315. He is then subsequently picked up at Gate 6 by our employees. Our local employees driving a silver-colored Peugeot with large inscription "BEB".

We do not assume any costs for possible delays on the scale or on the loading or unloading. We assume no costs for failures / delays in the TKS-premises, we are not responsible as BEB!
